

[illegible]

A graph with three nodes: T2 (blue), T3 (orange), and T13 (green). T2 is connected to T3 by a thick orange edge, and T3 is connected to T13 by a thick orange edge. T2 is also connected to T13 by a thin purple edge.

The diagram illustrates the relationships between various factors influencing meat consumption. The nodes and their connections are as follows:

- Nodes:**
  - I want to try more plant-based recipes (grey)
  - I eat meat five to six days weekly (green, T15)
  - I feel better eating less meat (red, T20)
  - I experience health concerns (orange, T16)
  - I experience environmental concerns (green, T13)
  - I have a large freezer (grey)
  - I purchase meat because it is easy to freeze (blue, T0)
  - I lack storage for fresh vegetables (grey)
  - I have limited refrigerator space (grey)
  - Friends and family do not influence my eating (grey)
- Edges (Relationships):**
  - Orange Edges:**
    - I want to try more plant-based recipes to I eat meat five to six days weekly
    - I want to try more plant-based recipes to I feel better eating less meat
    - I want to try more plant-based recipes to I experience health concerns
    - I want to try more plant-based recipes to I purchase meat because it is easy to freeze
    - I want to try more plant-based recipes to I have limited refrigerator space
    - I eat meat five to six days weekly to I feel better eating less meat
    - I eat meat five to six days weekly to I experience health concerns
    - I eat meat five to six days weekly to I purchase meat because it is easy to freeze
    - I eat meat five to six days weekly to I have limited refrigerator space
    - I feel better eating less meat to I experience health concerns
    - I feel better eating less meat to I purchase meat because it is easy to freeze
    - I feel better eating less meat to I have limited refrigerator space
    - I experience health concerns to I purchase meat because it is easy to freeze
    - I experience health concerns to I have limited refrigerator space
    - I purchase meat because it is easy to freeze to I have limited refrigerator space
  - Green Edges:**
    - I eat meat five to six days weekly to I experience environmental concerns
    - I experience environmental concerns to I eat meat five to six days weekly
  - Purple Edges:**
    - I experience environmental concerns to I want to try more plant-based recipes
    - I experience environmental concerns to I have limited refrigerator space
    - I have limited refrigerator space to I experience environmental concerns
    - I have limited refrigerator space to I purchase meat because it is easy to freeze
    - I have limited refrigerator space to I have a large freezer
    - I have a large freezer to I purchase meat because it is easy to freeze
    - I have a large freezer to I have limited refrigerator space

```
graph TD; T13((T13)) ---|thick green| T15((T15)); T15 ---|thin orange| T20((T20)); T20 ---|thin purple| T6((T6)); T6 ---|thin orange| T15; T0((T0))
