

The diagram illustrates the relationships between 10 statements related to meat consumption. The nodes are represented by colored circles, and the edges represent the relationships between them. Two edges are highlighted in orange.

Nodes (Statements):

- I want variety in my diet (T8) (Orange circle)
- I eat meat for protein (T14) (Green circle)
- I try to balance meat with vegetables (T19) (Purple circle)
- I include vegetables for health (T-1) (Teal circle)
- I eat meat regularly (T18) (Red circle)
- I am more mindful about portion sizes (T-1) (Blue circle)
- I eat meat for convenience (T-1) (Red circle)
- Some social contacts focus on health (T16) (Red circle)
- Some social contacts eat meat daily (T16) (Red circle)

Highlighted Edges (Orange lines):

- Between "I eat meat regularly (T18)" and "I am more mindful about portion sizes (T-1)".
- Between "Some social contacts eat meat daily (T16)" and "Some social contacts focus on health (T16)".
