A network graph showing connections between 8 stances. Nodes are represented by circles with text and IDs. Edges are colored purple or orange, indicating different types of relationships.

- My family eats pork and beef regularly (T1) - purple edge to I have high cholesterol
- I have cut back on red meat (T2) - orange edge to My doctor recommended cutting red meat (T2)
- I have cut back on red meat (T2) - purple edge to I grew up eating pork dishes (T23)
- I have lost weight after reducing meat (T7) - purple edge to I want to be healthier (T8)
- I have high cholesterol - purple edge to My doctor recommended cutting red meat (T2)
- I have high cholesterol - purple edge to I grew up eating pork dishes (T23)
- I have high cholesterol - orange edge to I want to be healthier (T8)
- I want to be healthier (T8) - purple edge to I grew up eating pork dishes (T23)

Wave 1 — LLM (topics)

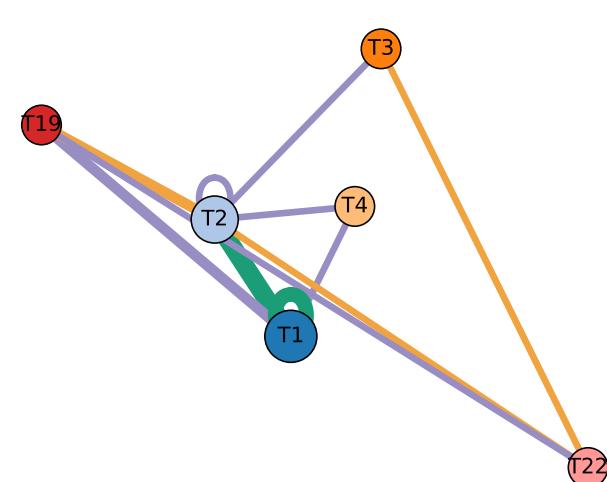

Wave 2 — LLM (stances)

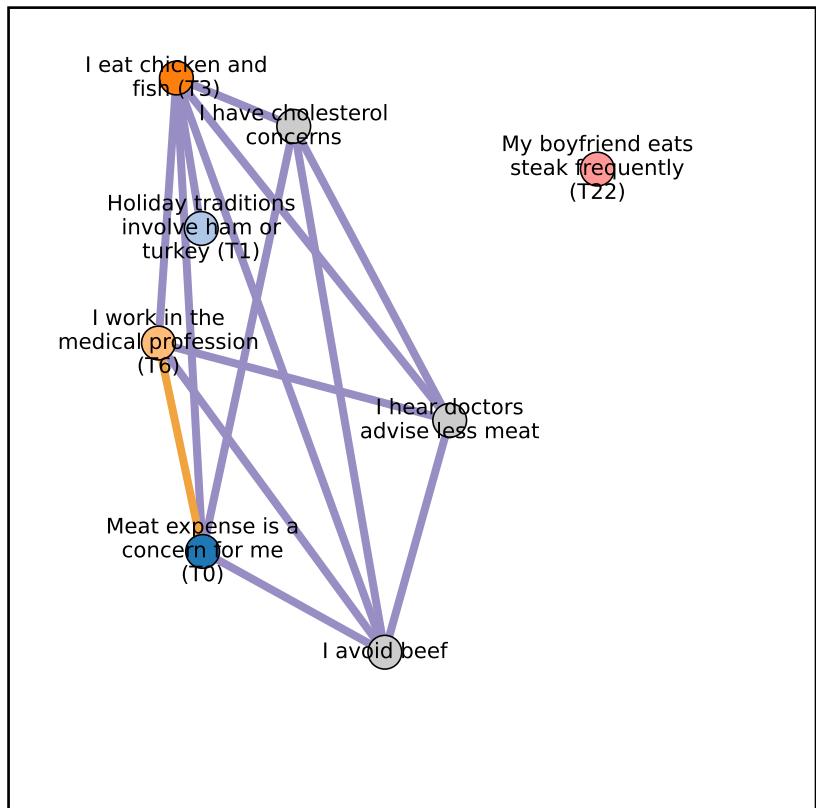

A network graph showing connections between 11 stances. Nodes are represented by circles with text and IDs. Edges are colored purple or orange.

- I have always eaten meat with every meal (T19) - orange edge to Doctor advised me to reduce red meat (T2)
- Meat is part of family tradition (T1) - purple edge to Doctor advised me to reduce red meat (T2)
- Meat is part of family tradition (T1) - orange edge to I enjoy finding tasty fish alternatives (T3)
- I am trying to cut back on meat (T2) - purple edge to Doctor advised me to reduce red meat (T2)
- I am trying to cut back on meat (T2) - orange edge to I have vegetarian friends (T4)
- I have vegetarian friends (T4) - purple edge to Doctor advised me to reduce red meat (T2)
- I have vegetarian friends (T4) - orange edge to Most family meals include meat (T1)
- I have cravings for meat (T22) - purple edge to Doctor advised me to reduce red meat (T2)
- I have cravings for meat (T22) - orange edge to I want to lower my cholesterol
- My family supports me eating less meat (T1) - purple edge to Doctor advised me to reduce red meat (T2)
- My family supports me eating less meat (T1) - orange edge to I want to lower my cholesterol
- I enjoy finding tasty fish alternatives (T3) - purple edge to Doctor advised me to reduce red meat (T2)
- I want to lower my cholesterol - orange edge to Doctor advised me to reduce red meat (T2)

I am concerned about environmental impact (T13)
I learned about cattle resource use
I eat less red meat (T2)
I switch to poultry for burgers (T3)
I eat mainly fish, shrimp, or chicken (T3)
I am more aware of others' preferences
My roommate rarely eats meat (T9)
I limit meat consumption for financial reasons
I feel self conscious eating beef with my roommate

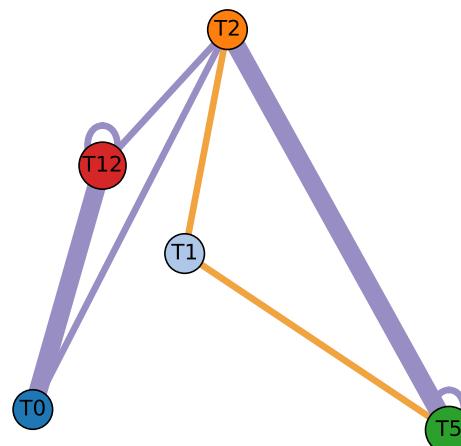

Wave 1 — LLM (topics)

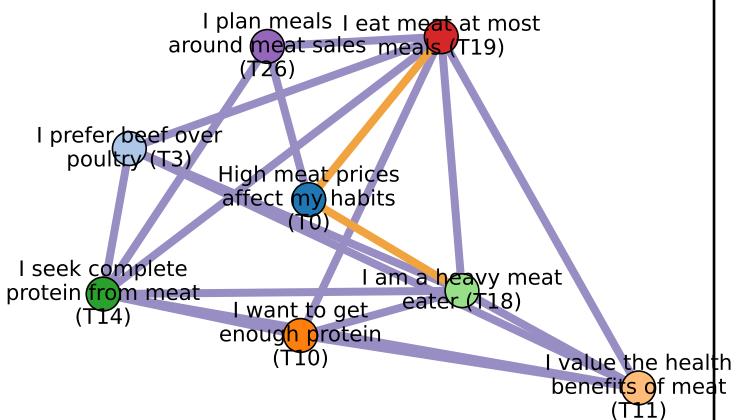

Wave 2 — LLM (stances)

Meat is easier to prepare for a group (T12)
Meat is expensive compared to alternatives (T0)
I try to eat less red meat (T2)
I lack confidence in cooking meat well (T12)
My family encouraged eating meat at meals (T1)
Exposure to animal rights documentaries (T5)
I am influenced by gym and muscle gain culture
I eat meat for protein and iron
I prioritize animal welfare (T5)

A network diagram illustrating the relationships between various stances. Nodes are represented by circles, and edges by colored lines (purple and orange). The nodes are:

- I want animals to have decent lives (T5) [Purple]
- I feel guilty about animal suffering (T5) [Purple]
- Social contacts are motivated by animal welfare (T16) [Green]
- I discuss meat-eating with vegans (T4) [Blue]
- I eat meat at most meals (T19) [Red]
- I love the taste of meat (T24) [Red]
- Meals without meat feel incomplete (T26) [Purple]
- I think meat is good for health (T11) [Orange]

The connections are as follows:

- T5 (Purple) is connected to T5 (Purple), T16 (Green), T4 (Blue), T19 (Red), T24 (Red), and T26 (Purple).
- T16 (Green) is connected to T19 (Red) and T24 (Red).
- T4 (Blue) is connected to T19 (Red), T24 (Red), and T26 (Purple).
- T19 (Red) is connected to T24 (Red) and T26 (Purple).
- T24 (Red) is connected to T26 (Purple).
- T26 (Purple) is connected to T4 (Blue).
- T11 (Orange) is connected to T19 (Red) and T24 (Red).
