Meat-eating is ingrained in my lifestyle (T-1)

A vertical sequence of nodes: T1 (orange), T9 (red), T-1 (blue), T5 (green), T0 (light blue), and T7 (light green). A purple line connects T1 to T0, with a self-loop on T1 and a small orange triangle between T9 and T-1.

The diagram illustrates relationships between various statements related to meat consumption. The nodes and their connections are as follows:

- Blue Nodes (Top):**
 - "I try to keep meat eating to a minimum (T0)"
 - "I am concerned about health effects of meat (T0)"
- Orange Nodes (Middle):**
 - "Meat is embedded in my culture (T1)"
 - "My brother stopped eating red meat (T4)"
- Green Node (Middle):**
 - "I eat meat three to four times weekly (T5)"
- Blue Nodes (Bottom):**
 - "I eat more meat when my wife cooks (T-1)"
 - "My mom reduced meat for health reasons (T0)"
 - "My mom influenced me to eat less meat (T0)"
 - "Most of my friends and family eat meat regularly (T1)"
 - "My wife is a heavy meat eater (T-1)"

Connections:

- Thick Purple Line:** Connects "I try to keep meat eating to a minimum (T0)" to "Meat is embedded in my culture (T1)", "I eat meat three to four times weekly (T5)", "I eat more meat when my wife cooks (T-1)", "My mom reduced meat for health reasons (T0)", "My mom influenced me to eat less meat (T0)", "Most of my friends and family eat meat regularly (T1)", and "My wife is a heavy meat eater (T-1)".
- Orange Line:** Connects "Meat is embedded in my culture (T1)" to "My brother stopped eating red meat (T4)".
- Green Line:** Connects "I try to keep meat eating to a minimum (T0)" to "I am concerned about health effects of meat (T0)".

A graph visualization showing five nodes and two edges. The nodes are labeled T-1, T1, T0, T5, and T4. T-1 is a blue circle at the bottom left. T1 is an orange circle directly above T-1. T0 is a light blue circle to the right of T1. T5 is a green circle directly above T0. T4 is an orange circle to the right of T0. A thick purple line connects T-1 and T1. A thick green line connects T0 and T5.
