

The diagram illustrates the relationships between 12 statements related to plant-based eating. The nodes are grouped into five clusters, each represented by a different color and labeled with a time point (T0, T7, T8, T1, T12). The connections (edges) between nodes show how these statements are related or influence each other.

- Red Node (T12):** I am concerned about climate change (T12)
- Green Node (T8):** I care about free health care, animal welfare (T8)
- Blue Nodes (T0):**
 - I plan weekly menus with my husband (T0)
 - My husband shares meat (T0)
 - I eat mostly meat (T0)
 - Protein focus among young adults (T0)
 - My daughter favors vegetarian dishes (T0)
- Orange Nodes (T7):**
 - I eat mostly plant-based meals (T7)
 - I eat mostly vegetarian dinners (T7)
 - My daughter favors vegetarian dishes (T7)
- Purple Nodes (T1):**
 - Other family values traditional (T1)
 - Healthier meals (T1)
 - My husband shares meat (T1)
 - My daughter favors vegetarian dishes (T1)
 - My culture favors vegetarian dishes (T1)

The diagram shows a complex web of relationships, with many nodes having multiple connections. For example, the statement "I eat mostly plant-based meals (T7)" is connected to several other nodes, including "I am concerned about climate change (T12)", "I care about free health care, animal welfare (T8)", "I plan weekly menus with my husband (T0)", "I eat mostly meat (T0)", "Protein focus among young adults (T0)", "My daughter favors vegetarian dishes (T0)", "I eat mostly vegetarian dinners (T7)", "My daughter favors vegetarian dishes (T7)", "My daughter favors vegetarian dishes (T1)", and "My culture favors vegetarian dishes (T1)".
