

I enjoy eating meat regularly (T-1)

Meat tastes delicious to me (T-1)

I crave meat (T22)

Most people I know eat meat regularly (T27)

A graph with three nodes: T-1 (blue), T22 (red), and T27 (purple). T-1 is connected to T22 and T27 by thick purple lines.

The diagram illustrates the relationships between seven statements (T1 through T7) related to meat consumption. The nodes are represented by colored circles, and the edges represent the strength or type of relationship between them.

Nodes and Statements:

- T25 (Red):** I enjoy the taste of meat
- T12 (Green):** I find meat easy to prepare
- T11 (Orange):** Health concerns could make me stop eating meat
- T18 (Green):** I eat meat regularly
- T11 (Orange):** I believe meat is not bad for you
- T9 (Orange):** Most friends and family eat meat regularly
- T7 (Blue):** I avoid eating meat in excess for health

Relationships (Edges):

- Purple Edges (Stronger/Positive):**
 - T25 to T12
 - T25 to T11 (Health concerns)
 - T25 to T18
 - T25 to T11 (Believe not bad)
 - T12 to T18
 - T12 to T11 (Believe not bad)
 - T18 to T9
 - T18 to T7
- Orange Edges (Weaker/Negative):**
 - T11 (Health concerns) to T11 (Believe not bad)
 - T11 (Health concerns) to T9
 - T11 (Health concerns) to T7
 - T11 (Believe not bad) to T9
 - T11 (Believe not bad) to T7

A network diagram with six nodes: T25 (red), T12 (green), T11 (orange), T18 (green), T9 (orange), and T7 (blue). The nodes are connected by edges. The edges are colored purple or green. The connections are: T25 to T12 (purple), T25 to T11 (purple), T25 to T9 (purple), T12 to T11 (purple), T11 to T18 (purple), T18 to T9 (purple), T18 to T7 (purple), T11 to T7 (green), and T12 to T7 (green).
